ANNUAL PERMIT PUBLIC USE SCORECARD

HUNTING ACTIVITIES

Please make a separate entry for each unit hunted.

Unit #	Date(s)	Check Species Hunted										Total Number Harvested

This "scorecard" is to help you keep record of the time you spend on public hunting lands under your Annual Permit. By making an entry on the scorecard each time you visit a unit, it will hopefully make the job of completing the post-season public user survey easier, and the information will be more accurate.

The importance of the post-season public user survey cannot be over-emphasized. If you receive the survey at the end of the season, please complete the questionnaire as accurately as possible.

It is very important that you identify the unit number of each unit visited, and the date(s) you visited each unit.

OTHER ACTIVITIES

Do NOT include trips where hunting was the primary reason for the trip.

Unit #	Date(s)	Nature Observation	Camping	Hiking	Birdwatching	Fishing	Photography	Scouting	Other
