Description:

Abstract:

This coverage represents the Texas Travel Regions used by various state agencies.

Purpose:

This coverage outlines the seven travel regions used by TPWD in various publications.

Description:

Supplemental_Information:

This coverage was created using the 2004 county coverage in the GIS Lab archive as the base. The boundaries of the various regions were created by deleting the county boundaries inside each region. The original county labels were deleted. Attributes Reg_Name and Color were added. The labels from the earlier travel regions coverage were put into this coverage.
