

# Lockhart State Park

Live Oak  
*Quercus virginiana*

## Features at Lockhart State Park:

**SWIMMING POOL:** Opens Memorial Day Weekend for the summer pool season. Closed Tuesdays.

**GOLF COURSE:** Nine hole, 3,000 yards, par 35. Golf carts can be rented at the park headquarters.

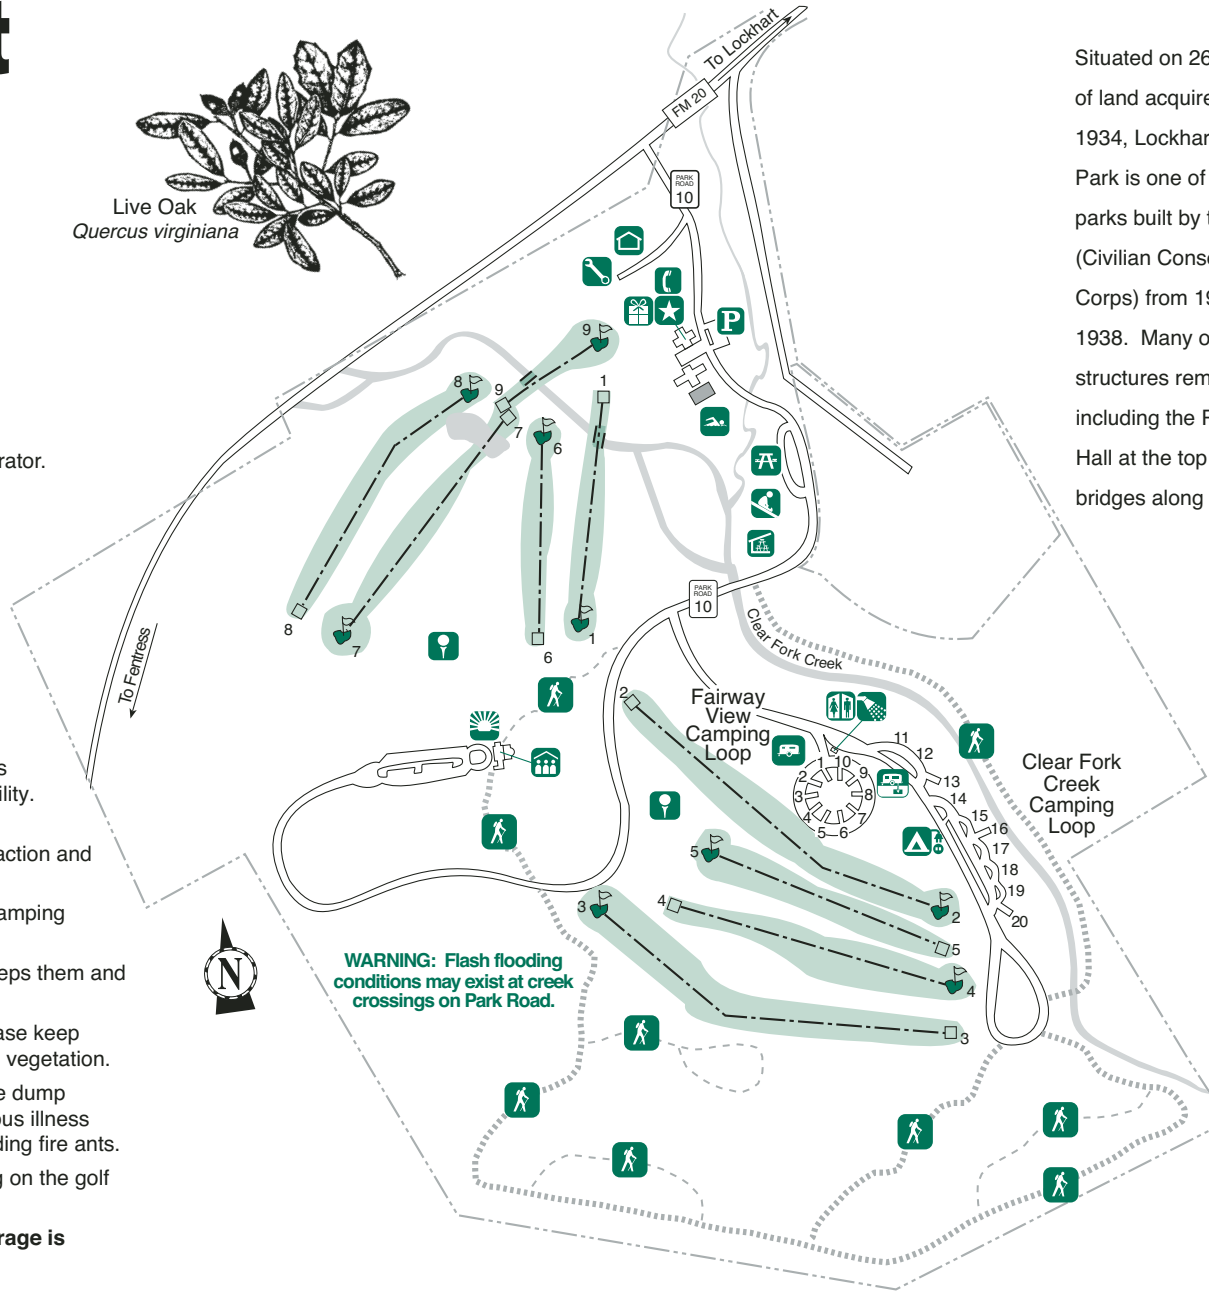

**RECREATION HALL:** Day use and overnight facility with rest rooms, patio, picnic area and kitchen with stove/refrigerator.

**FISHING:** Fishing is allowed along Clear Fork Creek except on the areas of the golf course.

**INTERPRETIVE PROGRAMS:** Conducted year round, for all age groups, on a variety of topics, including the CCC, natural resources, conservation education and regional flora and fauna. Contact the park for information.

### Please Note:

- Campsite CHECK OUT time is 2 p.m. Renewal requests should be made by 9 a.m. and are subject to site availability.
- A maximum of eight people are permitted per campsite. Overcrowding damages vegetation, increases soil compaction and often leads to noise problems.
- Quiet hours are from 10 p.m. to 6 a.m. Guests without camping permits are allowed to remain in the park until 10 p.m.
- Pets should be leashed and not left unattended. This keeps them and other visitors safe while protecting wildlife.
- A valid permit is required on all vehicles in the park. Please keep vehicles on the road to reduce erosion and loss of fragile vegetation.
- Black water and gray water can only be discharged at the dump station. This water carries bacteria that can spread serious illness and food particles that attract undesirable animals, including fire ants.
- Hike or walk on designated trails and roadways. Walking on the golf course is not permitted for safety reasons.
- **Public consumption or display of any alcoholic beverage is prohibited.**

Situated on 263 acres of land acquired in 1934, Lockhart State Park is one of many parks built by the CCC (Civilian Conservation Corps) from 1935 to 1938. Many of these structures remain including the Recreation Hall at the top of the hill and the rock dams and bridges along Clear Fork Creek.

Black Walnut  
*Juglans nigra*
