UPDATED 2021

Welcome to Texas State Parks

Park rules and regulations not only protect our natural and cultural resources, but also help preserve the safety and security of our visitors while on-site. Please take the time to familiarize yourself and other members of your group with park rules.

The goal of the State Park Law Enforcement Program is to provide a safe and secure environment for visitors and employees while protecting the environment within state parks. These objectives are met with professional law enforcement services through education and enforcement actions that accomplish the goals and objectives of the Texas Parks and Wildlife Department. State park law enforcement officers fulfill these responsibilities through educating the public about various laws and regulations, preventing violations by conducting high-visibility patrols, and apprehending and arresting violators. Officers who assume this duty carry full statewide jurisdiction that allow them to carry out law enforcement actions across the state of Texas. All other applicable state and federal laws are also enforced.

These regulations were adopted by the Texas Parks and Wildlife Commission on January 21, 2016. Parks and Wildlife Code, §13.101 (granted by Acts 1975, 64th Legislature, regular session, Ch. 545) provides the commission authority to promulgate regulations governing the health, safety and protection of person and property in state parks, historic sites, scientific areas, or forts, including encompassed waters, under the control of the department.

GENERAL

62.061 HUNTING IN STATE PARKS.

Except as authorized by the commission under Sec. 62.062, et.seq., no person may hunt a wild animal, wild bird, or wild fowl in a state park, fort, or historic site under the jurisdiction of the department.

13.108 REMOVAL FROM PARK.

(a) Any person directly or indirectly responsible for disruptive, destructive, or violent conduct which endangers property or the health, safety, or lives of persons or animals may be removed from a park, historical park, scientific area, or fort for a period not to exceed 48 hours.

(b) Prior to removal under this section, the person must be given notice of the provisions of this section and an opportunity to correct the conduct justifying removal.

(c) A court of competent jurisdiction may enjoin a person from reentry to the park, scientific area, site, or fort, on cause shown, for any period set by the court.

13.109 ENFORCEMENT OF REGULATIONS.

Regulations adopted under this subchapter may be enforced by any peace officer, including those employees of the department commissioned as peace officers under Section 11.019 of this code. A notice to appear may be issued by a peace officer for violation of a regulation on a form prescribed by the commission.

13.112 PENALTY.

A person who violates a regulation adopted under Subchapter B of this chapter commits an offense that is a Class C Parks and Wildlife Code misdemeanor. [Pursuant to this section, the Parks and Wildlife Commission has adopted the following penalties for violations of the succeeding regulations] Class C Parks and Wildlife Misdemeanors: up to \$500.
