

# SOUTH TEXAS AREA STATE PARKS

## Welcome to the Texas State Parks Geocache Challenge!

Adventure and discovery await you as you find specially placed hidden items that reveal exciting facts and stories about Texas State Parks.

- We have hidden a special geocache in each of 10 state parks for you to find. This passport page is your proof you found each cache, so keep it dry and clean (we recommend you print this on card stock). Write down each coordinate (waypoint) on this sheet before leaving for the state park. Waypoints can be found at [www.tpwd.state.tx.us/geocaching](http://www.tpwd.state.tx.us/geocaching)
- You will find a logbook inside each cache. Sign your name, date and message for others to read. Each cache contains unique state park geocards which reveal exciting facts and stories about Texas State Parks - yours to keep! Please limit one card per person. Use the geocard to answer the question listed on this passport. There will also be a special orienteering punch, which you should use to punch the black circle next to the park name. These two elements are your proof of finding the cache.
- There will also be small prizes and trinkets for trade. Be sure to bring something with you and trade for something of equal or lesser value.

That's it! Continue searching for the rest of the caches in the Texas State Parks Geocache Challenge and other caches hidden in your state parks. Go to [www.geocaching.com](http://www.geocaching.com) to log your cache.

Once you have found 8 of the 10 caches, send your completed passport to:

**Texas State Parks Geocache Challenge - TPWD**  
**4200 Smith School Road**  
**Austin, TX 78744**

The first 25 returned passports receive a free commemorative Texas State Parks Geocache Challenge coin (one per household). Other gifts will include large stickers and certificates of completion. In addition, all completed and returned passports will be given the option to purchase trackable, region-specific geocoins. Passports must be legible to claim prizes.
